

Exodus: God Gives Moses the Ten Commandments Exodus 20:1-21

While Moses is up on a mountain listening to God, God gives him the Ten Commandments. These important instructions are more than just God handing down rules; they're guidelines for his people to live better lives. God loves us, and God doesn't want us to get hurt.

"Trust in the Lord with all your heart; do not depend on your own understanding. Seek his will in all you do, and he will show you which path to take" (Proverbs 3:5-6).

Through the Week

- Think of things you use or see regularly that keep you from getting hurt, such as seat belts, stop signs, or protective sports equipment.
- Pick one of those things to be your "rule reminder" for the week.
- Whenever you use your rule reminder, thank God for giving us rules that keep us from getting hurt.
- Also ask God to help you obey his rules.
